§ 203.49 Eligibility of adjustable rate mortgages.

A mortgage containing the provisions for periodic adjustments by the mortgagee in the effective rate of interest charged shall be eligible for insurance under this subpart subject to compliance with the additional requirements of this section. This section shall apply only to mortgage loans described under sections 203(b), 203(h) and 203(k) of the National Housing Act.

(a) *Types of mortgages insurable.* The types of adjustable rate mortgages that are insurable are those for which the interest rate may be adjusted annually by the mortgagee, beginning after one, three, five, seven, or ten years from the date of the mortgagor's first debt service payment.

(b) *Interest-rate index.* Changes in the interest rate charged on an adjustable rate mortgage must correspond either to changes in the one-year London Interbank Offered Rate (LIBOR) or to

changes in the weekly average yield on U.S. Treasury securities, adjusted to a constant maturity of one year. Except as otherwise provided in this section, each change in the mortgage interest rate must correspond to the upward and downward change in the index.

(c) *Amortization provisions.* The mortgage must contain amortization provisions satisfactory to the Secretary, allowing for periodic adjustments in the rate of interest charged corresponding to changes in the interest rate index.

(d) *Frequency of interest rate changes.*

(1) The interest rate adjustments must occur annually, calculated from the date of the mortgagor's first debt service payment, except that, for these types of mortgages, the first adjustment shall be no sooner or later than the following:

(i) One-year adjustable rate mortgages—no sooner than 12 months or later than 18 months;

(ii) Three-year adjustable rate mortgages—no sooner than 36 months or later than 42 months;

(iii) Five-year adjustable rate mortgages—no sooner than 60 months or later than 66 months;

(iv) Seven-year adjustable rate mortgages—no sooner than 84 months or later than 90 months; and

(v) Ten-year adjustable rate mortgages—no sooner than 120 months or later than 126 months.

(2) To set the new interest rate, the mortgagee will determine the change between the initial (*i.e.*, base) index figure and the current index figure, or will add a specific margin to the current index figure. The initial index figure shall be the most recent figure available before the date of mortgage loan origination. The current index figure shall be the most recent index figure available 30 days before the date of each interest rate adjustment.

(e) *Method of rate changes.* Interest rate changes may only be implemented through adjustments to the mortgagor's monthly payments.

(f) *Magnitude of changes.* The adjustable rate mortgage initial contract interest rate shall be agreed upon by the mortgagee and the mortgagor. The first adjustment to the contract interest rate shall take place in accordance

§ 203.50

24 CFR Ch. II (4–1–13 Edition)

with the schedule set forth under paragraph (d) of this section. Thereafter, for all adjustable rate mortgages, the adjustment shall be made annually and shall occur on the anniversary date of the first adjustment, subject to the following conditions and limitations:

(1) For one- and three-year adjustable rate mortgages, no single adjustment to the interest rate shall result in a change in either direction of more than one percentage point from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of one percentage point may not be carried over for inclusion in an adjustment for a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than five percentage points from the initial contract interest rate.

(2) For five-, seven-, and ten-year adjustable rate mortgages, no single adjustment to the interest rate shall result in a change in either direction of more than two percentage points from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of two percentage points may not be carried over for inclusion in an adjustment in a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than six percentage points from the initial contract rate.

(3) At each adjustment date, changes in the index interest rate, whether increases or decreases, must be translated into the adjusted mortgage interest rate, except that the mortgage may provide for minimum interest rate change limitations and for minimum increments of interest rate changes.

(g) *Pre-Loan Disclosure.* The mortgagee is required to make available to the mortgagor, at the time of loan application, a written explanation of the features of an adjustable rate mortgage consistent with the disclosure requirements applicable to variable rate mortgages secured by a principal dwelling under the Truth in Lending Act, 15 U.S.C. 1601 *et seq.*

(h) *Annual disclosure.* At least 25 days before any adjustment to a mortga-

gor's monthly payment may occur, the mortgagee must advise the mortgagor of the new mortgage interest rate, the amount of the new monthly payment, the current index interest rate value, and how the payment adjustment was calculated.

(i) *Cross-reference.* Sections 203.21 (level payment amortization provisions) and 203.44 (open-end advances) do not apply to this section. This section does not apply to a mortgage that meets the requirements of §§203.18(a)(4) (mortgagors of secondary residences), 203.18(c) (eligible non-occupant mortgagors), 203.18(d) (outlying area properties), 203.43 (miscellaneous type mortgages), 203.43c (mortgages involving a dwelling unit in a cooperative housing development), 203.43d (mortgages in certain communities), 203.43e (mortgages covering houses in federally impacted areas), 203.45 (graduated payment mortgages), or 203.47 (growing equity mortgages).

(j) *Aggregate amount of mortgages insured.* The aggregate number of adjustable rate mortgages insured pursuant to this section and 24 CFR part 234 in any fiscal year may not exceed 30 percent of the aggregate number of mortgages and loans insured by the Secretary under Title II of the National Housing Act during the preceding fiscal year.

(k) *Insurance authority.* Mortgages complying with the requirements of this section shall be insured under this subpart pursuant to section 251 of the National Housing Act.

(a) For the purpose of this section:

(1) The term *rehabilitation loan* means a loan, advance of credit, or purchase of an obligation representing a loan or advancement of credit, made for the purpose of financing:
